## 1-5

Maybe you just moved to the area. Or maybe you just don't get out much. Either way, you still have a lot of things to do and see in Kenosha, so get to it!

## 6-10

You've been around the block a few times but still sometimes need your GPS to get there. Don't stop now. The Kenosha Ocean is full of surprises, but you have to find them.

## 11-15

Fellow townies recognize you, and you can order "the usual" at your favorite spots. While you still have some things to learn, you've become a solid member of the community.

## 16+

Okay, big shot, you must think you're pretty cool, huh? You were either born and raised in Kenosha or you're just an avid explorer, but remember - there's always more to discover.
